

Welcome to ClimbHI Bridge!

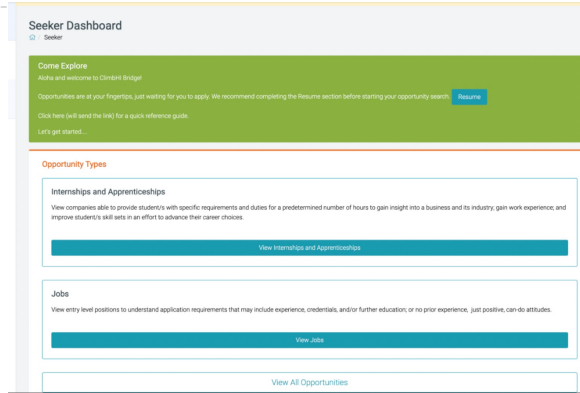

Let's get started:

Step 1: Login

Log in to: <https://bridge.climbhi.org/>

Once logged in, you will be directed to the opportunity **Seeker Dashboard**

Step 2:

Build your Resume by adding your information.

Note: There are multiple tabs to click and fill in.

This information will be automatically included in all applications you submit.

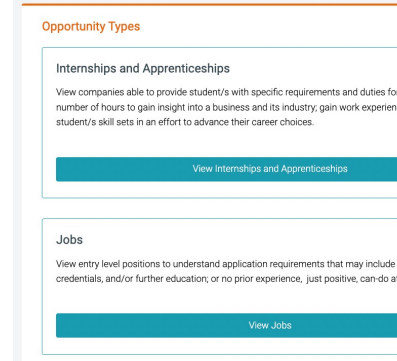

Fill in Resume Builder.

This general information will be applied to all of your applications. You will have the opportunity to upload customized resume PDF in each job application.

You will be able to edit the cover letter in each application for customization!

Step 3: Search

Search for opportunities.

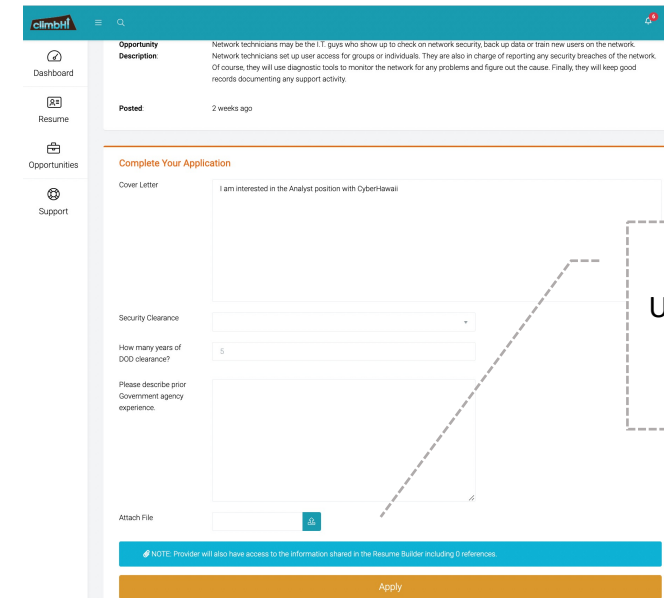

See detailed list of opportunities
