Promote Work-Based Learning Opportunities with ClimbHI Bridge

Do you offer high school student internships, project-based learning opportunities, guest speakers, career awareness or teacher externships? If so, you're encouraged to add your work-based learning opportunities to a new one-stop-shop digital platform that will launch soon, making it easier for students and educators to connect with companies like yours. ClimbHI Bridge wants to hear from you. Send an email to info@climbhi.org.
